acceptable barriers or excuses for not being there for your Mom, Dad, Next of Kin, a relative, or just that good friend.

**DON'T MISS ANOTHER IMPORTANT MILE- STONE**

**Reduce cost:**

Make the safest, economical, financial and technologically advanced decision for your family.

**Webcasting provides for huge savings when you cannot afford the travel expenses for the entire family to make the trip.**

**Do not limit the experience to only those who could make the trip**

*Last respect at a funeral webcast*

**Choose “Live Streaming”** (Video & Audio) **to deliver your content over multiple platforms via the Internet:** (Internet Applications (Apps) allow for multiple/wider distribution via iPhones, Androids, Roku, PC, MAC, etc)

Funeral Webcasting with Rocky Sons Production Limited enables family and friends who cannot make the trip to take part in their loved one’s funeral or memorial service.

Do not wait for picture uploads or an edited report.
